This is the perfect time to use that cipher.  
You will have needed to find the key to the cipher.

Looking for the key? Alice was reading it in her apartment.  
Its a shift key so once you have it lined up you need to shift it  
however many times in the direction it tells you.

The second part you will need to put in one of the 3 motives (as you  
are trying to interview at a PERSONS HOUSE) that were talked  
about in the 2<sup>nd</sup> briefing.
